We Need Your Help!

You have heard that there will most likely be a dramatic increase in the cost of natural gas for heating the church this winter. Please, if you adjust the thermostat up in a room you are using, please turn it back down when you are finished using the room or just leave it programmed the way it is. With everyone cooperating and working together, we will be able to keep our heating bills down this winter. Also, whenever possible, please layer up rather than turning up the heat. Thank you. **The Trustees**

Building Committee Minutes

The most recent Building Committee minutes are posted on our website (www.wmumc.org) and posted on the bulletin board in the hallway close to the Fellowship Hall.
